

Our Kinderym Program is a great place for children aged 0-5yrs (...and their families!) to start moving. Our two classes are tailored to your child's age and developmental stage, encouraging them to advance at their own pace in an environment that is safe, stimulating and fun!

## ROCKET TOTS 0-4 YRS

CASUAL CLASS

**\$11** / CLASS  
Full

**\$9** / SIBLING  
Conc. / Sibling

Rocket Tots is a fun, stimulating, guided exploration program. Each class starts with a gentle warm-up involving movement to music, then progresses to giving children the opportunity to interact with others while using balls, ropes, ladders, slides, swings, foam shapes and climbing obstacles! This hour long class then winds down with music and dance.

## MINI MARTIANS 3-5 YRS

LIMITED NUMBERS CLASS

**FREE**  
1st TRIAL!

Mini Martians is a pre-school focused, movement program for children and their adult caregiver. It's all about having fun while learning and improving basic gymnastic ability in a safe, structured environment. Children develop confidence in the use of the balance beam, tramp, rings, bars, rope, crash mats and springboards, preparing them for future progression into our Recreational Gymnastics Program!

## ASK US ABOUT... HOW TO ENROL

Rocket Tots is a casual class - **no need to book**, just fill in an enrolment form and turn up on the day!  
Mini Martians classes have **limited enrolment numbers** and **require you to book** prior to attending, this also applies to 'first trial' classes.

Please contact Reception to book an initial trial and pick up an enrolment form!
